Summary

Data Science MS Candidate (4.0 GPA) with healthcare recruiting experience serving 1000+ clinical facilities. Advanced Python/SQL/ML for patient outcome prediction and healthcare operations optimization.

Objective

Committed to continuous learning and seeking to apply advanced analytical and Data Science knowledge to a purpose-driven Data Scientist role, contributing to socially impactful projects that leverage data for good.

Skills

Python (pandas, numpy, scikit-learn, PyTorch), SQL, R, Git, Jupyter

Big Data: Spark, Hadoop, Google Cloud Platform

ML: Supervised/Unsupervised Learning, Feature Engineering, CNN, Hyperparameter Tuning

Work Experience

Account Manager, Aureus Medical, Omaha, NE

Developed deep understanding of bedside clinician needs and healthcare facility requirements

Managed clinician pipeline for nurses, surgical technologists, and sterile processing technicians

Delivered career counseling to 200+ clinicians, improving placement success via personal matching

Sensory Scientist / Brewer, Kros Strain Brewery, La Vista, NE

Developed and implemented company's first Sensory Program

Collected, analyzed sensory data to improve product quality and consistency

Project Examples

Heart Disease Risk Prediction (Logistic Regression) – Clinical Outcome Modeling

Uplift Modeling (Causal Inference) – Patient treatment optimization

Leadership and Community Engagement

President, Head Start Policy Council, Omaha, NE

Elected to represent families in early childhood education policy decisions. Led council meetings and collaborated with administrators to guide program funding and compliance decisions impacting hundreds of families.

Education

Master of Science in Data Science, Bellevue University, Omaha, NE | Expected Graduation: 06/2026

Omega Nu Lambda National Honor Society Member

Darrel H. Gottsch Endowed Scholarship Recipient

Marshall and Mona Faith Endowed Scholarship Recipient

Bachelor of Arts in Psychology, University of Nebraska at Omaha, Omaha, NE | Graduated: 12/2012

Susan Thompson Buffett Scholarship Recipient
